Job overview

We are looking to appoint a highly motivated, enthusiastic, efficient and friendly person to be part of the reception team at Castle Street Medical Centre.

As a key member of the practice, you will be the first point of contact for patients, providing a high standard of customer service both face-to-face and over the phone.

Your responsibilities will include managing appointment bookings, handling patient enquiries, updating records, processing prescriptions, and supporting the clinical team with day to day administrative tasks. You will play a vital role in ensuring the smooth running of the surgery and delivering excellent patient care in line with DCHS values.

This role requires strong communication skills, attention to detail, and the ability to remain calm and professional in a busy healthcare environment. Experience in a receptionist or administrative role, particularly within the NHS, is desirable but not essential, as full training will be provided.

Essential criteria: English Language GCSE or equivalent - Good standard of general education. Knowledge of Information Governance Policies and Procedures. Previous reception/administration experience. Understanding & awareness of confidentiality

Theatre Support Worker

Job overview

An exciting opportunity has arisen for individuals to join our friendly and professional team within the Operating Theatre Department as a Theatre Support Worker. We cover several different specialities including General Surgery, Orthopaedics, Gynae and Obstetrics, ENT, maxillofacial, Breast, Urology and Ophthalmic.

You will have or be willing to work towards completion of the Care Certificate & also must complete, within an 18-month period, a Level 2 Diploma in Health and Social Care. This training if required will enable you to assist with the preparation and cleanliness of the theatre environment for both surgery and anaesthetics, providing care to the patients throughout their journey in the operating theatre and enable you to support staff at all levels.

Estates and Facilities

Kitchen Assistant - The closing date is 04 May 2026

Job summary

We are on the lookout for a reliable, passionate and organised individual to join our team as a kitchen assistant. This is a great opportunity to further your career and join the Agincare family in a rewarding role within the health & social care sector.

Main duties of the job

As a kitchen assistant, you will support the chef to create healthy and balanced meals and snacks, ensuring a good understanding of various dietary requirements and allergens. You will also maintain a high standard of cleanliness and hygiene in the kitchen area, in line with COSHH regulations and health and safety protocols. The role involves working as a team player, with the ability to lone work when needed, effectively managing your time. You will also offer support, communication and engagement to the residents.

Essential

You don't have to have worked in care before, a previous role in a different catering environment is great for someone willing to learn. We'd like you to have some prior knowledge of food safety and COSHH.
